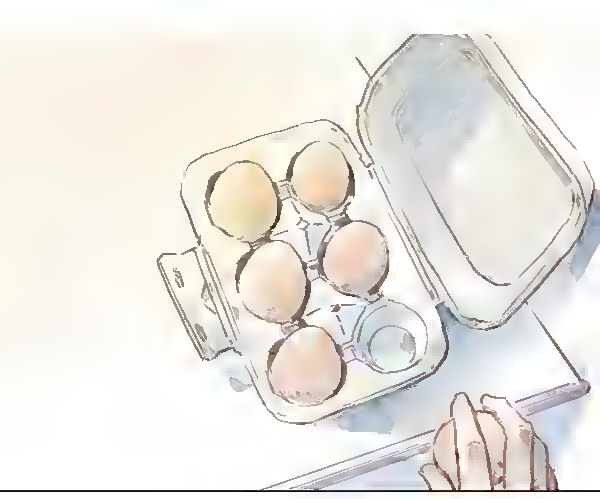
## CHAPTER 12

## ONE WEEK

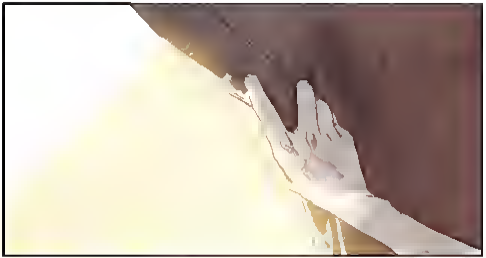


Just another day.

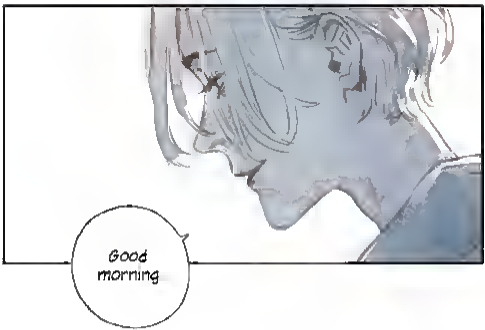
Just another morning like any other.

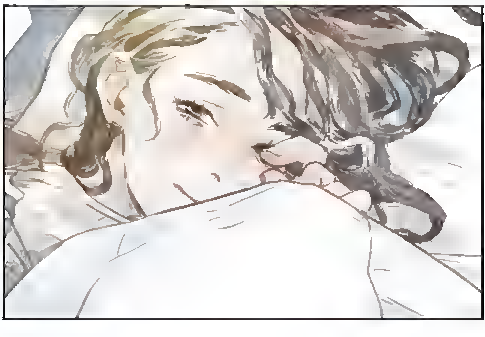
that same bustle and hustle

But
starting today,

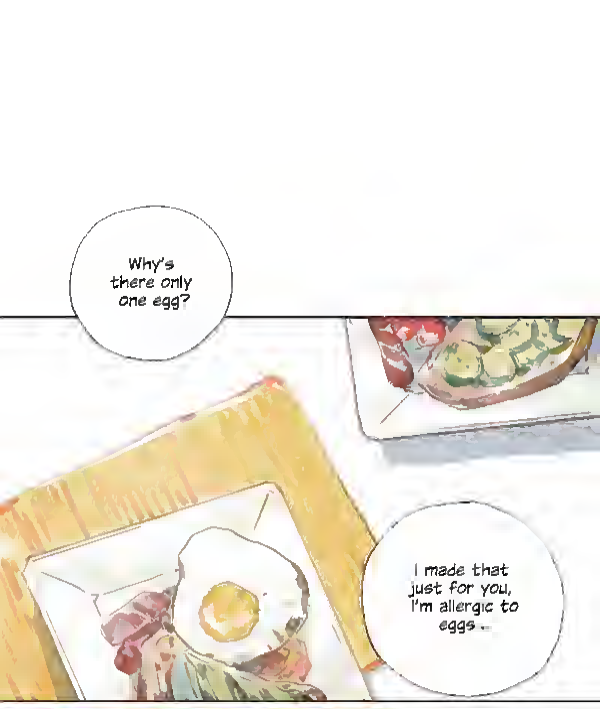


There's a little change.





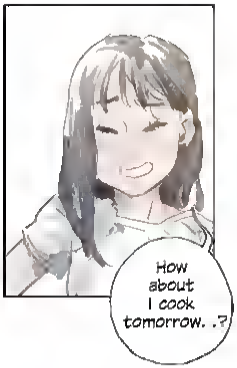
Good morning.



Why's there only one egg?
I made that just for you, I'm allergic to eggs.

How is it? I rarely cook...

Hng...
... ...



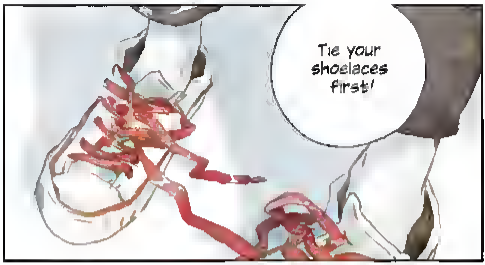
How about I cook tomorrow. .?

Is it that bad??

A very small change...

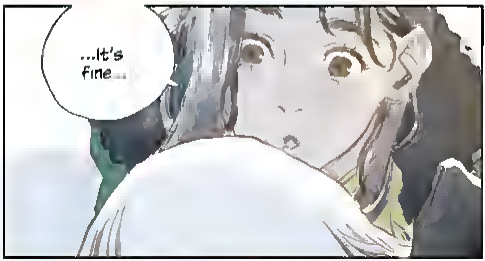
Ready? If we don't leave soon, we'll be late.

Okay, okay! Let's go!

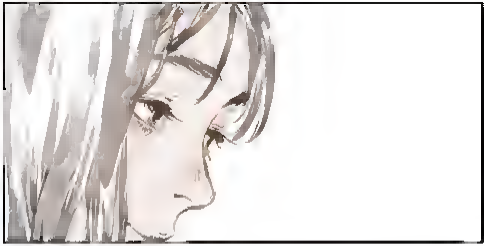


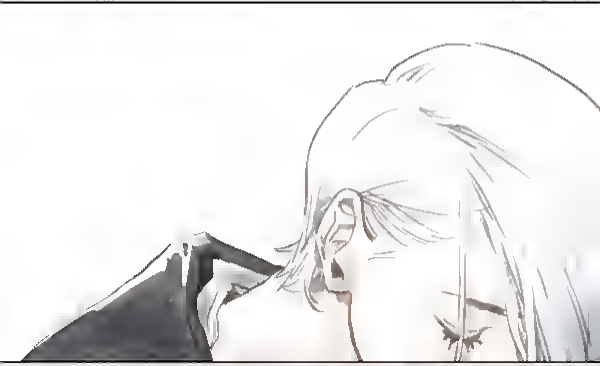
Tie your shoelaces first!

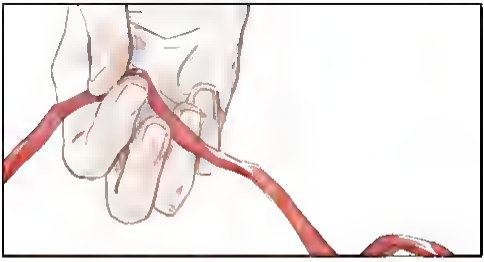
It's okay, I'll tie them in the car...

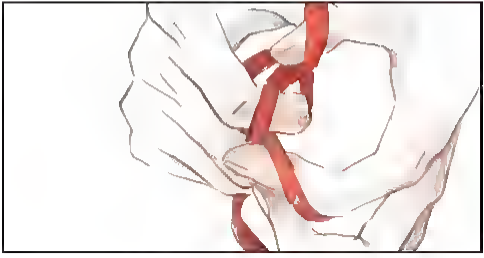


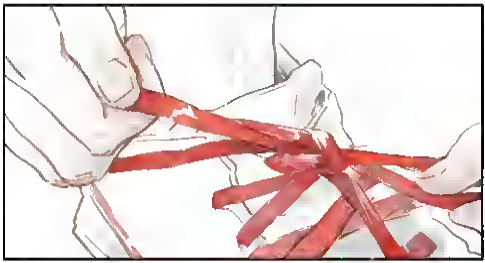
...It's fine...

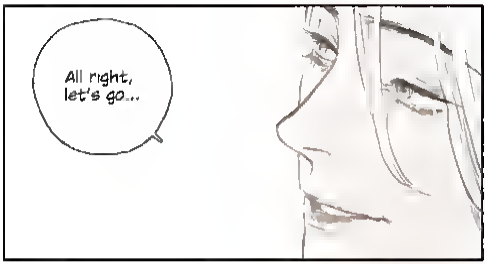




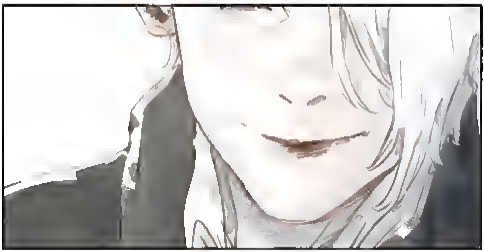








All right,
let's go...

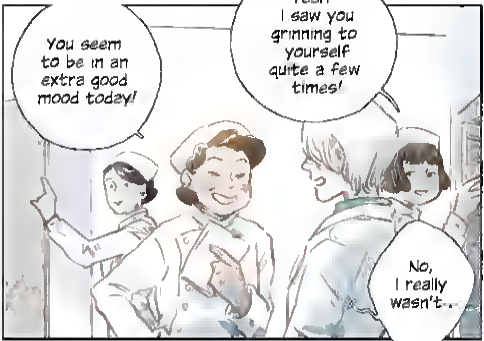


I have a secret now

Doctor
Wei,

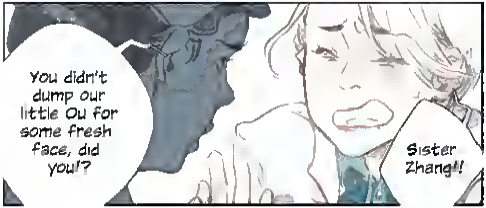
Doctor
Wei?

Doctor Wei!
Ah? What's wrong?

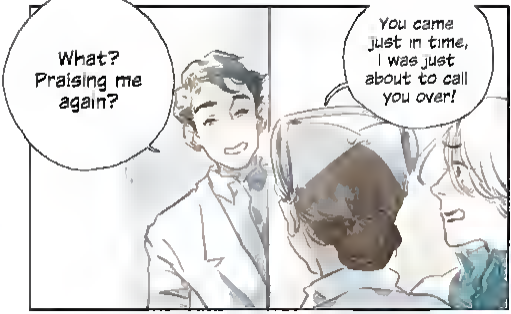


You seem to be in an extra good mood today!
Yeah! I saw you grinning to yourself quite a few times!
No, I really wasn't...

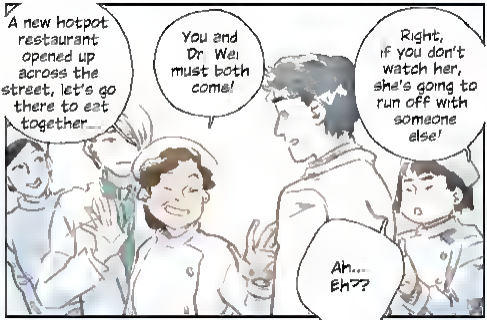
Don't you keep it from Sister Zhang!
Did something good happen?
It's really nothing! Really...



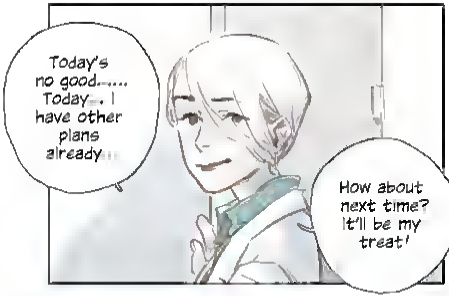
You didn't dump our little Ou for some fresh face, did you!?
Sister Zhang!!



What? Praising me again?
You came just in time, I was just about to call you over!

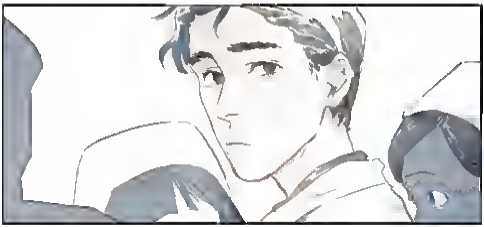


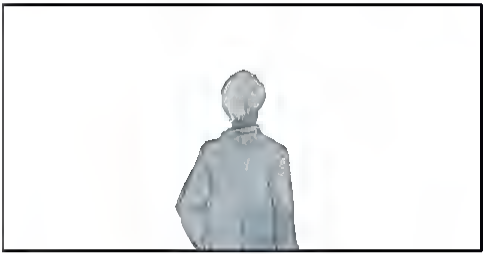
A new hotpot restaurant opened up across the street, let's go there to eat together...
You and Dr Wei must both come!
Right, if you don't watch her, she's going to run off with someone else!
Ah... Eh??



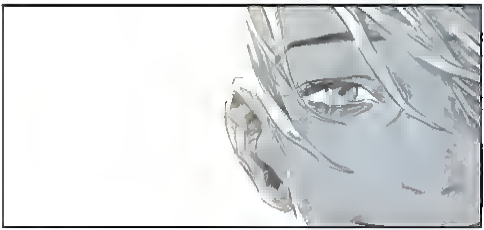
Today's no good..... Today... I have other plans already...
How about next time? It'll be my treat!

Then I'm not going either...
Hurry, hurry!
If you don't come, who's going to pay the bill!?

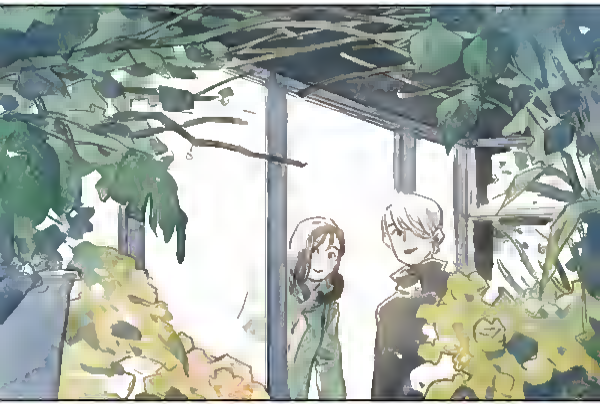


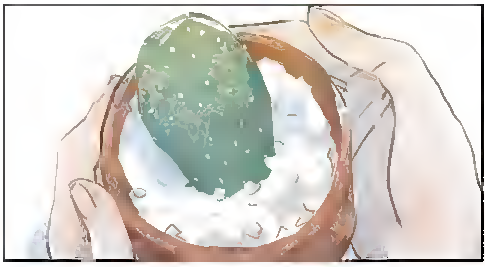


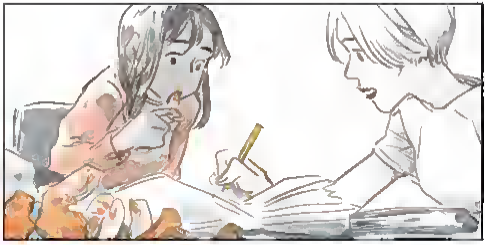
Something that I can't tell anyone...

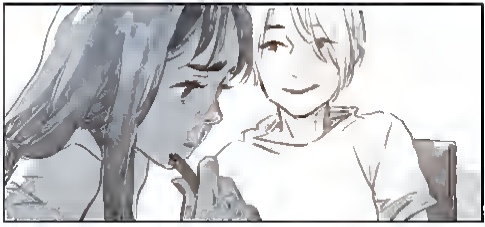


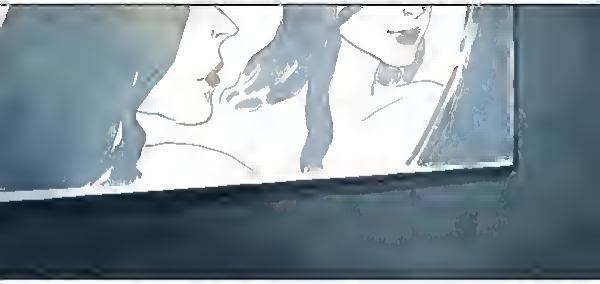
A secret that belongs solely with me.

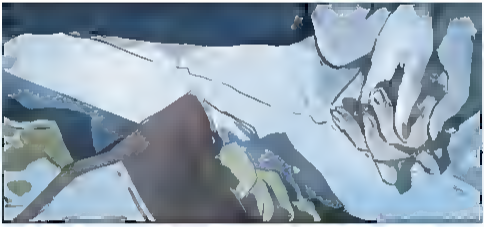






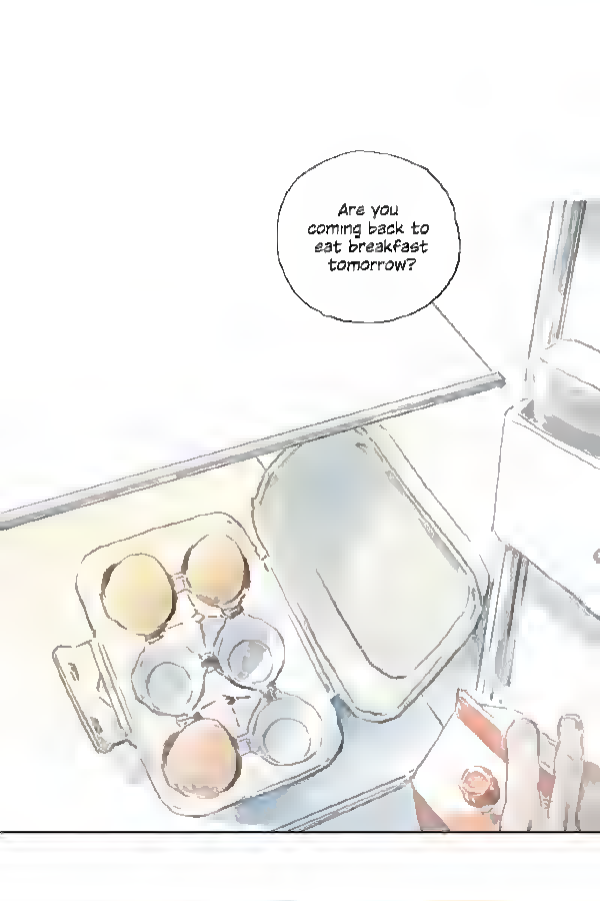






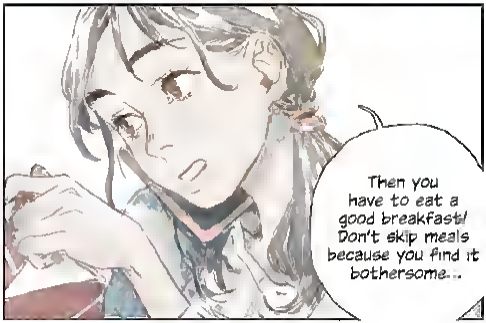
A sweet

yet crazy secret

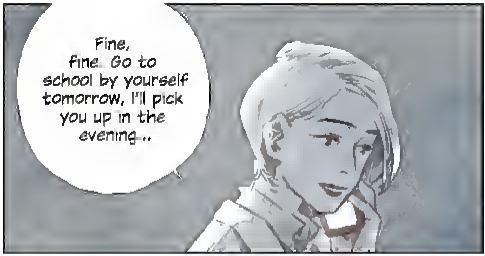


Are you coming back to eat breakfast tomorrow?

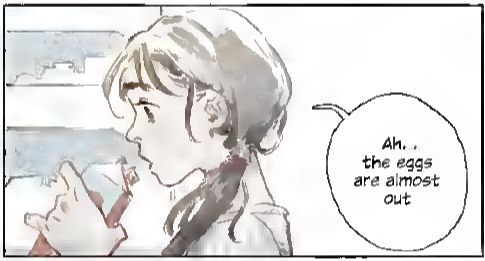
Don't wait for me, I have a meeting in the morning again ..



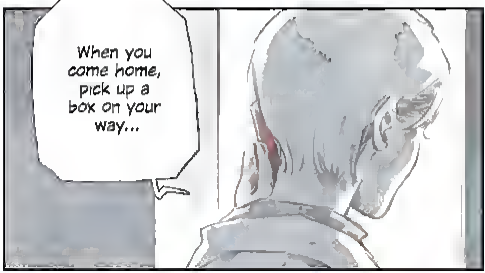
Then you have to eat a good breakfast! Don't skip meals because you find it bothersome...



Fine, fine. Go to school by yourself tomorrow, I'll pick you up in the evening...

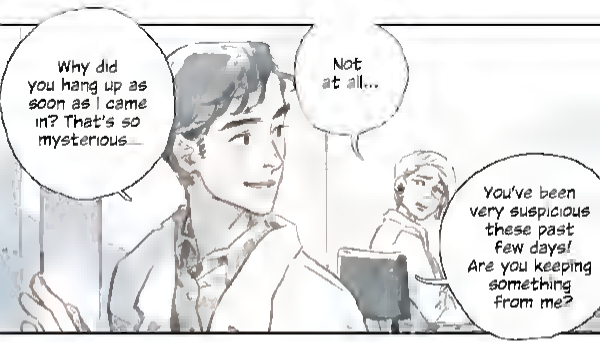


Ah.. the eggs are almost out



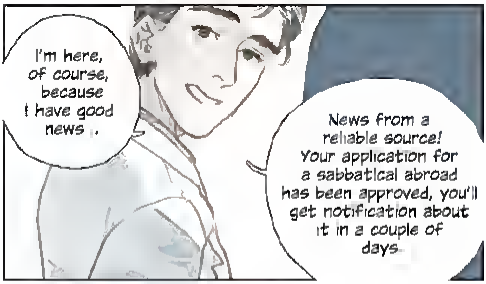
When you come home, pick up a box on your way...

...Hmm
Understood. ...
When are we going shopping for the stuff we need for our ski trip the day after tomorrow?
Let's talk about that tomorrow, you should rest early...
I have something to take care of over here, let's talk later...



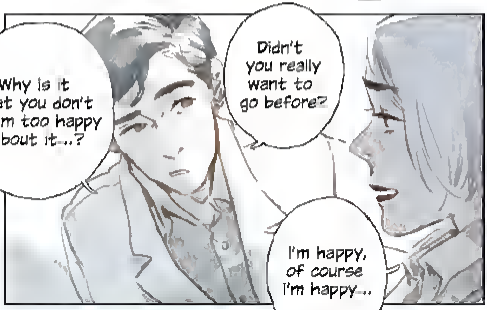
Why did you hang up as soon as I came in? That's so mysterious...
Not at all...
You've been very suspicious these past few days! Are you keeping something from me?

What could I be keeping from you?
And aren't you more suspicious...? Why do you keep coming here when you should be doing your rounds?



I'm here, of course, because I have good news.
News from a reliable source! Your application for a sabbatical abroad has been approved, you'll get notification about it in a couple of days.

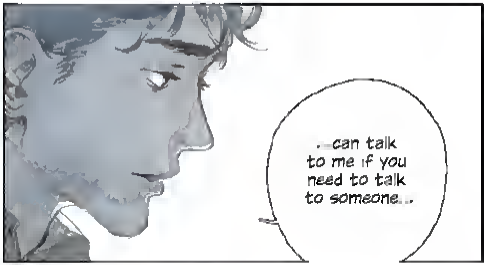
Really.
That's really great...



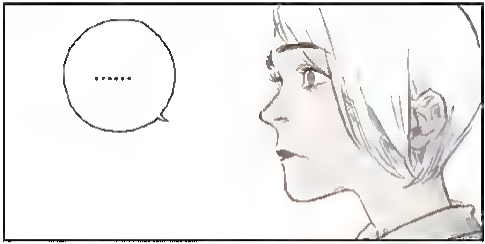
Why is it that you don't seem too happy about it...?
Didn't you really want to go before?
I'm happy, of course I'm happy...

Then why are you...?
All right! Go back to work already, I'm busy here!

Wei Wei, you...



...can talk to me if you need to talk to someone...



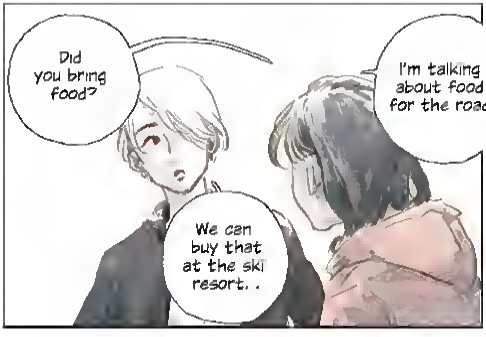
.....

It's nothing, really....

I can
take care of
it myself.

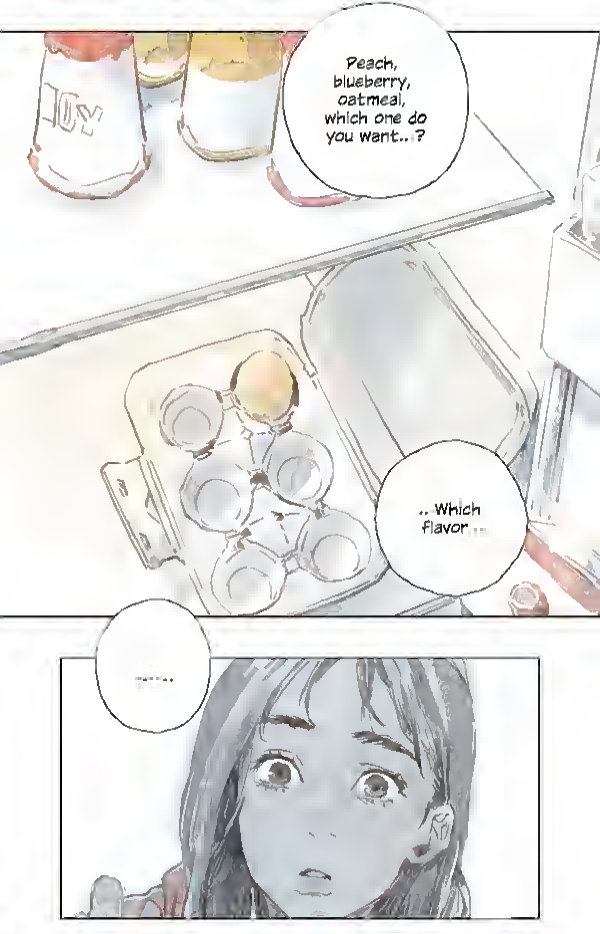
Did you bring sunglasses?
Got them.

Scarf, hat?
Hand warmer?
I got
them all.



Did you bring food?
I'm talking about food for the road!
We can buy that at the ski resort..

Should we bring some yogurt?



Peach, blueberry, oatmeal, which one do you want..?
.. Which flavor...
.....

Anything is fine, can we go?
All right all right!
Coming!

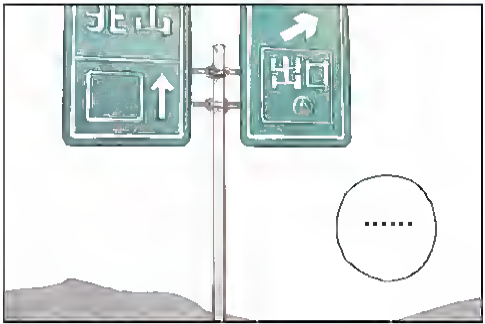
Hurry hurry!
I want to be
the first one
on the slopes
today!!

.....

How long is it going to take before we get there...?

Everyone's trying to go out for the weekend, I think we'll be in traffic all the way until the toll booth...

We won't even get there by noon if this keeps up!
Why even go skiing then...



北山

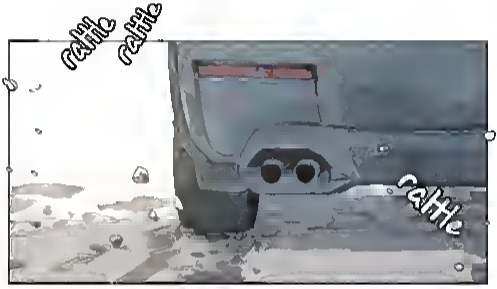
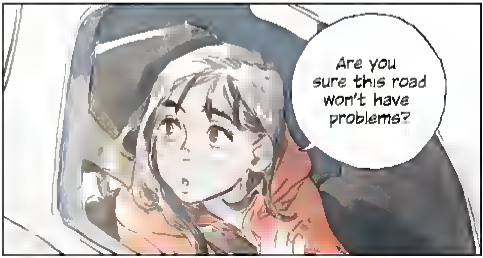
.....

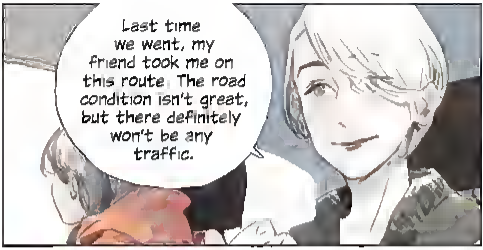
?!
Where are you going??



rattle
rattle
rattle



Are you sure this road won't have problems?



Last time we went, my friend took me on this route. The road condition isn't great, but there definitely won't be any traffic.

Then we'll get to the ski resort by noon?

Shouldn't be a problem.

That's great!

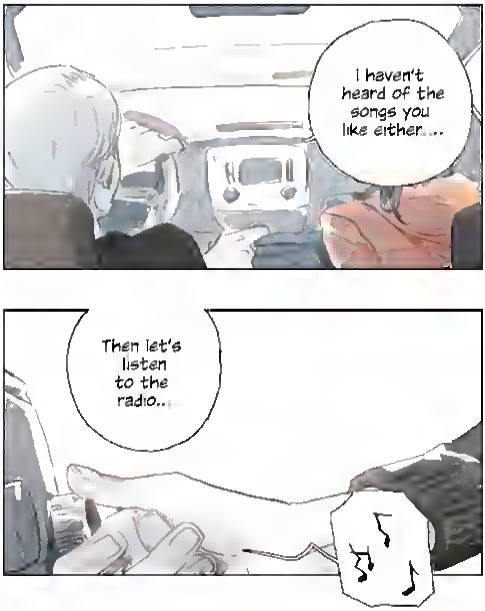
What decade are the songs you're playing from...?
I don't recognize a single song?



I haven't heard of the songs you like either...
Then let's listen to the radio..

Are we there...?

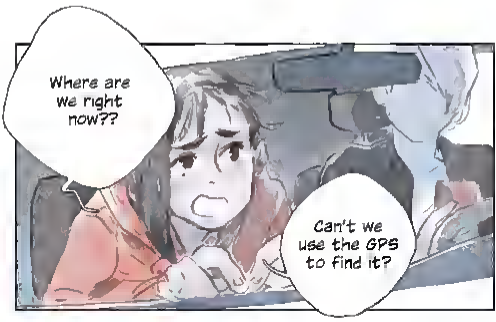
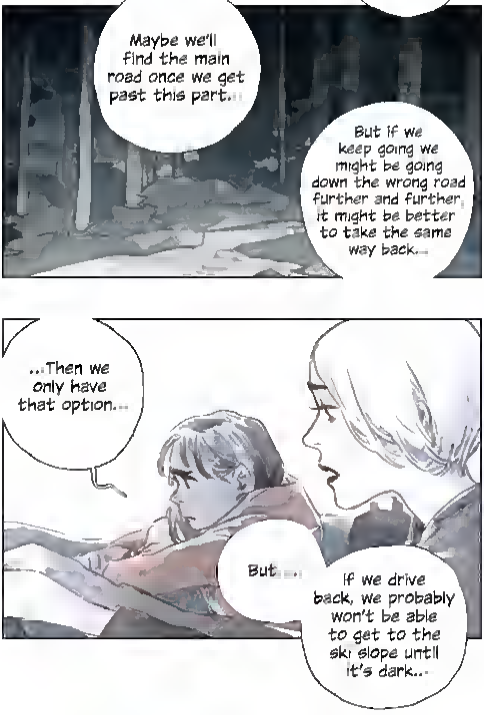
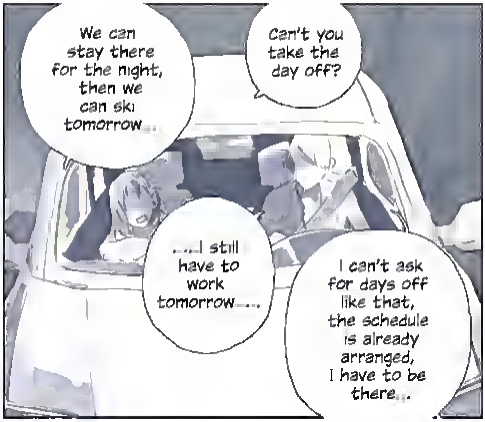
Might be lost.....
Ah??



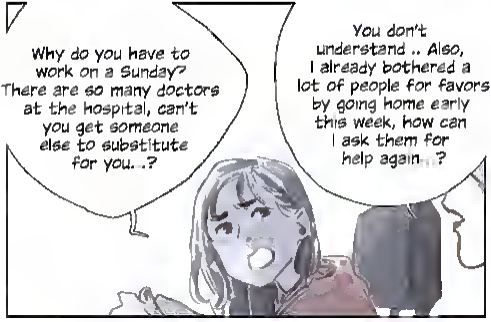
Where are we right now??
Can't we use the GPS to find it?
The map doesn't have this road, and the signal is weak
I might have taken the wrong exit...
Can't we keep going and see where it takes us?



Maybe we'll find the main road once we get past this part...
But if we keep going we might be going down the wrong road further and further, it might be better to take the same way back...
...Then we only have that option...
But...
If we drive back, we probably won't be able to get to the ski slope until it's dark...



We can stay there for the night, then we can ski tomorrow...
Can't you take the day off?
....I still have to work tomorrow....
I can't ask for days off like that, the schedule is already arranged, I have to be there...



Why do you have to work on a Sunday? There are so many doctors at the hospital, can't you get someone else to substitute for you..?
You don't understand .. Also, I already bothered a lot of people for favors by going home early this week, how can I ask them for help again...?

Okay!
I get it!
It's my fault anyway!

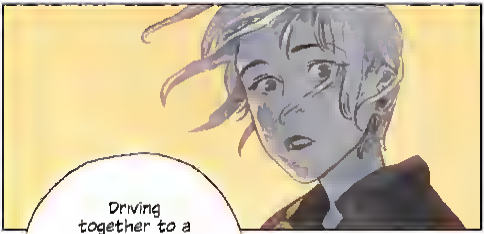
It's so beautiful...

Actually...
Here is fine...

It doesn't matter whether or not we can go skiing
We don't need to go anywhere special, do anything special...

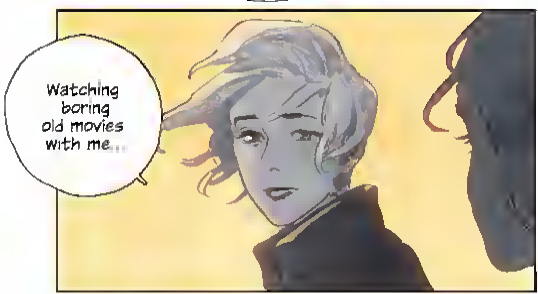
Staying like this with you is already very nice.



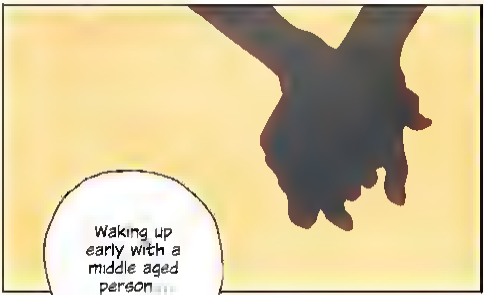
Driving together to a random place, dazing into space together, getting lost together,

is already good—

And eating my disgusting cooking together.



Watching boring old movies with me...



Waking up early with a middle aged person...

I almost forgot that I could live life so boisterously...
